

IP54

Voltage **250 V**  
Protection class **IP54**

Base **GU10**

 User manual

Technical data:

|                           |                                   |
|---------------------------|-----------------------------------|
| Product code              | SLIP007002                        |
| Voltage                   | 250 V                             |
| Protection class          | I                                 |
| Light source included     | -                                 |
| Working temperature range | -20/+40 °                         |
| Lifespan                  | 17000 h                           |
| Housing material          | Aluminum                          |
| Base                      | GU10                              |
| Protection class          | IP54                              |
| Colour                    | Black                             |
| Dimension (axbxc)         | 152x66x95 mm                      |
| For use                   | Inside/Outside                    |
| Assembly method           | On the ceiling                    |
| Application               | INT/EXT                           |
| Made in                   | PRC                               |
| Other                     | MAX 2x6W LED; MAX 2x20W Halogen , |

\*Applies to the LED source used. \*\*Luminaire luminous flux  
Bi-directional luminaire. \*GU10. Luminaire without light source.
